*Mrs. Effie E. Ikenberry*

*A Teacher Affects Eternity; He Can Never Tell Where His Influence Stops*

--Henry Brooks Adams

The 1966 Crag is proudly dedicated to Mrs. Effie E. Ikenberry in tribute to her excellence as a teacher and a person. Her enthusiasm in teaching and her understanding in guidance have inspired countless students on to greater achievements.

Her gifts to education truly affect eternity, for she is a teacher who will be remembered long after her students leave the classroom to face the world.

Mrs. Ikenberry's image has been indelibly inscribed on those whom she instructed, and, as a matter of personal honor, she has kept that image spotless.

*"Here's To Turner Ashby High School;  
'Tis The School We All Adore..."*

*In its tenth year Turner Ashby High School is still new in appearance, but old in heritage. The traditions of our school are built around the life of General Turner Ashby, the Knight of the Confederacy. The name of his home, the Crag, has been adopted as the name of our school annual. The Ashby coat-of-arms and family motto, "Be Just and Fear Not," are associated with our school.*

*In the past many students have graduated from Turner Ashby proud of all it stands for. Most of you will feel the combination of joy and sorrow that accompanies graduation. Remember the lessons that will be learned here and apply them to your own life.*

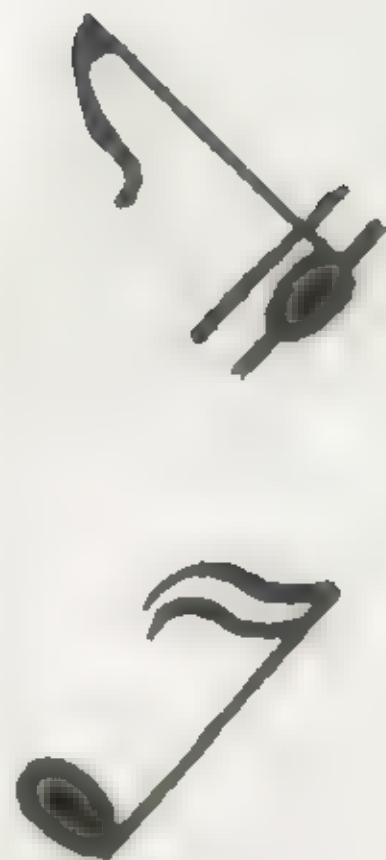

*"And the friendships that are made here;  
we will cherish them always..."*

*And Her Colors We Are Flying,  
For We Love Her More And More.*

*May Our Loyalty Ne'er Falter  
As We Work And Play Each Day...*

*And The Friendships That Are Made Here.*

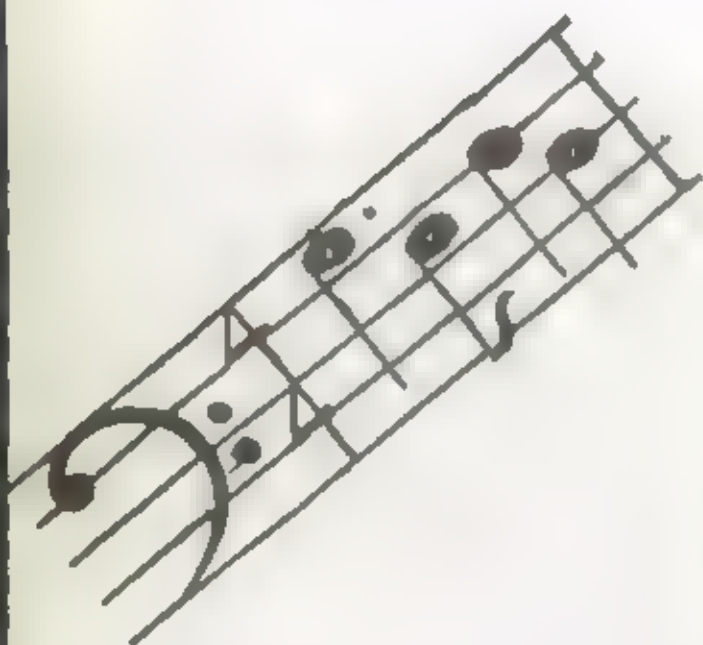

*We Will Cherish Them Always.*

*Then To Turner Ashby High School  
And The Teams We Call Our Knights.*

*We'll Keep The Spirit Going...*

*For Our Colors, Black And White.*

# *Our Principal*

E. CAMERON MILLER

May I begin this message by saying to the Seniors of 1966 that you have reached the end of a long journey. This journey began for most of you, September 1, 1954. The purpose of the adventure was the acquisition of knowledge leading to a full and rewarding life.

It is my personal belief that most of you have traveled well and have earned the right, with pride and humility, to stand at the peak of this experience. However, you now must switch from the passenger to driver seat and take full responsibility for your adult life now beginning.

I wish for each of you the best things in life and will follow with interest and pride your future plans and accomplishments.

To you at Turner Ashby, who are still in the midst of your journey, may I pledge my continued interest and concern that you give of your best and in so doing contribute to the glory of the school we all adore.

Sincerely,

*E. Cameron Miller*

## *Here's To The Activities Of Turner Ashby High School*

*The many clubs and organizations associated with our school give students the opportunity to serve and contribute to the development of Turner Ashby.*

*All students can take part in the programs of the Student Cooperative Association. Other clubs appeal to those in certain classes such as the vocational and language clubs. Promoters of clean speech, clean sportsmanship, clean scholarship, and clean living become members of the Y Clubs. Students attaining superior academic achievement are invited to become members of the Honor Club. Student singers, musicians, and actors head for the Glee Club, Band, and Drama Club. Athletic prowess is rewarded by acceptance into the Varsity Club.*

*All organizational activities have the purpose of developing citizenship and personal growth.*

*"We Are From Turner Ashby,  
And With Our Black And White..."*

*Sports are an exciting part of life at Turner Ashby.*

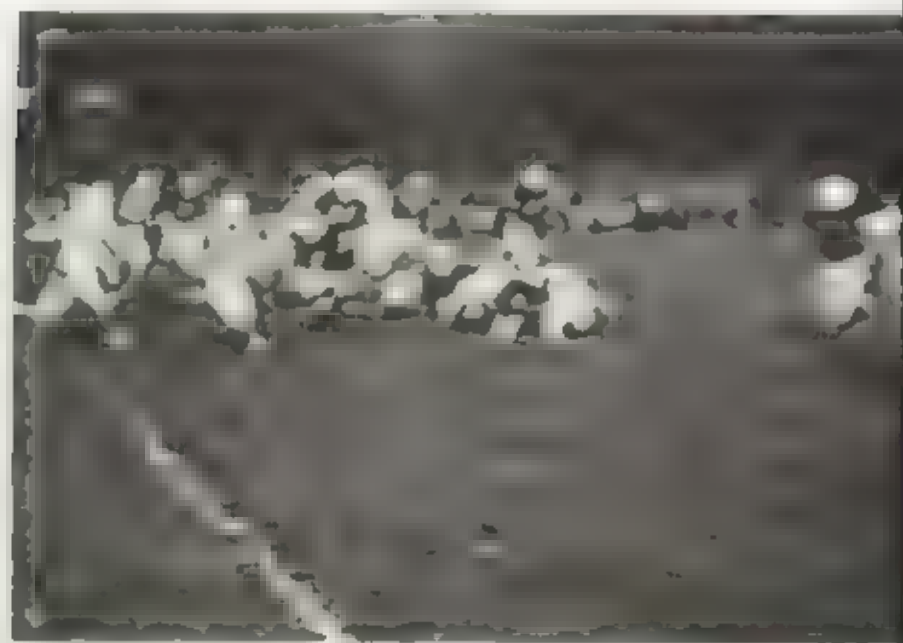

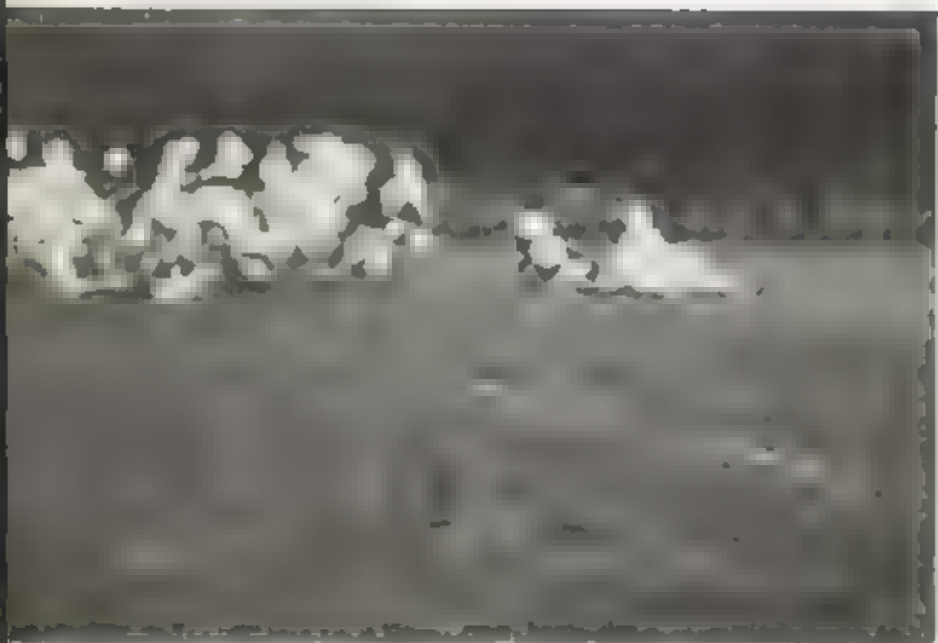

*During the school year students participate in football, basketball, track, and baseball athletic programs. In addition to this, all students take at least three years of physical education classes.*

*This year the teams that represented Turner Ashby fought hard in bringing honor to their school. At the beginning of the school year students rallied to the support of the football team. Some games were won and some were lost, but these fighting Knights deserve much credit for hard work and loyalty to the team. With basketball season came hopes of taking the District 16 Championship. Our Knights not only won this but also defeated Middleton at the Regional contest and took us on to the State Semifinals. Spring brought baseball and track to Turner Ashby. The baseball team had an exciting season under a new coach, Mr. Trotkin. Many school track records were broken as the track team continued through a successful season.*

*All the students who took part in the school's athletic program deserve special praise for their efforts. Turner Ashby is indeed proud of her athletes.*

*We'll Fight, Fight For Turner*

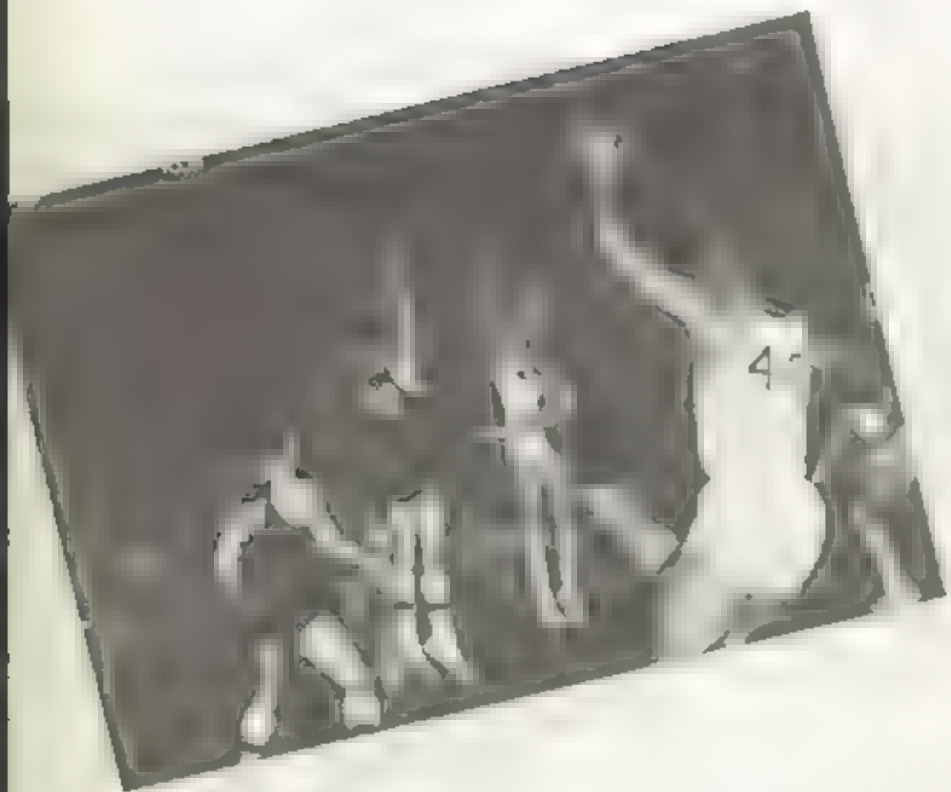

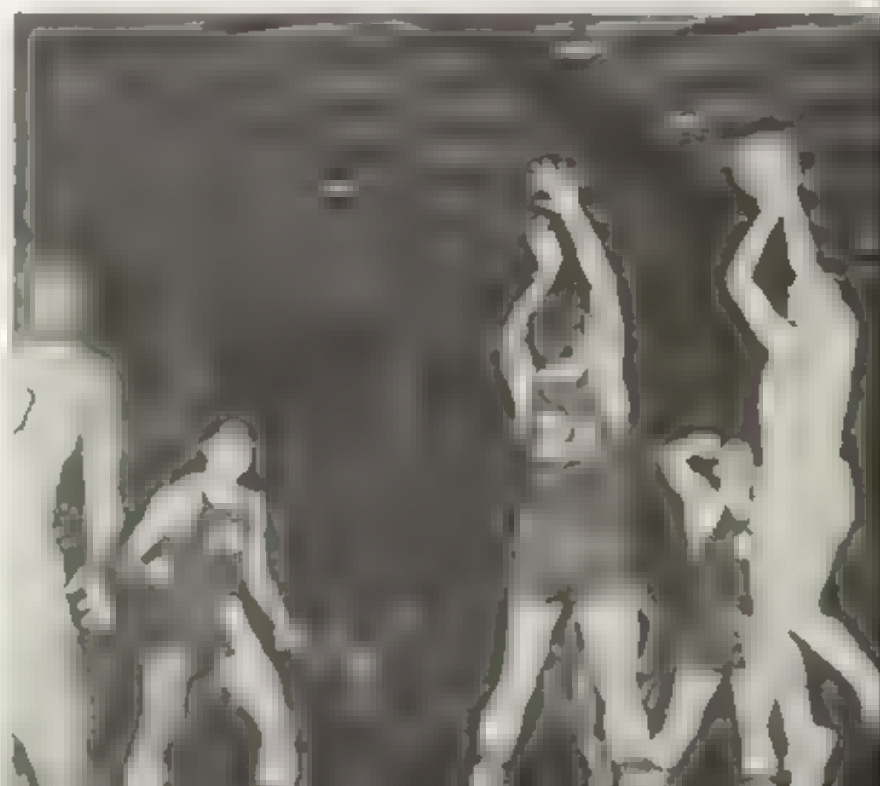

*Ashby, Fight With All Our Might*

*We'll Strive To Do Our Best*

*District 10 Champions*

## *We Salute The Physical Education Department*

Many students tend to underrate the importance of physical fitness during their high school years. Our excellent Physical Education Department provides the opportunity for students to build and maintain a good physical condition. A happy and alert person must not lose sight of the importance of being physically fit at all times.
